**KAFFEE-BEEN
HEADACHE TABLETS**

Will free you of the strain on your
health and efficiency caused by head
pains such as neuralgia, nerve fatigue,
headache and insufficient amount of
pure oxygenated blood. All head-
aches should be stopped at once regard-
less of the cause. The doctor will tell you
that pain is a shock to the nervous
system and is a menace to the health
in general. It taxes your endurance
and causes dangerous over-fatigue. You
must see to it that the headache
remedy you take does not contain
harmful drugs such as Acetanilid,
Phenacetin, Aspirin or Antipyrin; these
drugs are powerful depressants to the
circulatory system and are dangerous.
Kaffee-Been, the Coffee Headache Table-
tlet, is harmless absolutely, and should
be kept on hand at all times. Go to
your drugist and secure a 25-cent box
of the 5-grain tablets; they are guaran-
teed and money will be refunded
cheerfully at any time if they are not
superior to any headache remedy you
ever used.

Trust company of Yazoo City is to call
a meeting of the business men of Yazoo
City and county for the purpose of
forming a permanent advertising club
for the county. A preliminary organ-

TWO NEGRO ROBBERS ARE KILLED IN GUN FIGHT

BIRMINGHAM, Ala., Aug. 14.—Two
negro robbers were killed, one wounded
and a fourth captured in a pitched
battle with officers near Weems, Ala.,
on the Southern Railway late yester-
day.

The men had thrown \$3,000 worth of
goods from a freight train in the woods
Tuesday night. Officers located the
goods and watched for the men to
return for the booty. They appeared
in a big automobile. When the car
was about half loaded the officers
sprang up and ordered them to sur-
render. The robbers jumped behind
the car, opened fire and the shooting
then became general.

It is claimed \$25,000 worth of mer-
chandise has been stolen from trains
in this vicinity during the past two
months.

jor of infantry at the time hostilities
ceased, and would have participated in
the drive against Meit on Nov. 14 had
the armistice not been signed.

WHY A HOT SPOT CHALMERS IS STINGY ABOUT GAS

THE only thing stingy about a Chalmers is its
use of gas. It has small appetite. It travels
a long day's march on a few gallons.

Every drop of gas that goes in the tank is
held to account. There's no waste.

That is because Hot Spot takes the low grade,
inferior gas of the day, and prepares it so that the
engine can get out all the power that nature
put in.

It is aided by Ram's-horn, and the results
are *de luxe*.

Put your foot on the little button of any Hot
Spot Chalmers and get a new sensation.

It isn't the 90 H. P. kind, but it gives quick,
decisive action and so "silky" you scarcely know
there's anything going on "up under the
bonnet."

It's action that doesn't burn your
pocketbook, nor jar your fenders
loose.

One ride usually wins a friend.
